NSF Cheques

A charge of \$15.00 will be applied for any NSF cheques.

Tax Receipts

In order for your paid fees to be eligible for Tuition Tax Credit, you must be enrolled in a “qualified educational institution” as defined by Revenue Canada. Academy of Realist Art is a registered business offering professional development and, therefore, under Revenue Canada’s definition, does not meet the criteria and cannot issue educational tax receipts. Academy of Realist Art can issue a business receipt to acknowledge payment received. This can then be claimed as a business expense against any portion of your income derived from an artistic activity.

Off Hours

The No-Smoking policy of ARA shall be in force during off-hours! Please go outside to smoke.

As an ARA student, you are requested to be considerate of the other tenants in the building at all times, but especially with regard to noise levels in the evening.

Accommodations and Workshops FAQ

A list of moderately priced rental housing in the neighborhood is kept up to date at the Academy. Please ask for information on current accommodations when you register for a workshop or short-term session. Materials for workshops: a list of requirements for your specific workshop will be sent out via email shortly after you register. You can usually bring some of your own materials, such as oil paints, although airlines do not allow some materials (such as varnishes and solvents). The Academy will help you locate the art materials you need at a reasonable price. Workshop hours: most workshops are offered from 10:00 a.m. to 4:00 p.m. weekdays only.

Wondering What to do Next?

Your first step in pursuing your Academy training is selecting the Tuition Plan and Session schedule that meets your needs. If you have any questions, please feel free to phone us at 416-766-1280 or write to info@AcademyofRealistArt.com . You *do not* need to have a portfolio of finished artwork to enroll – because our teaching system is unique, and all artists will start with the Fundamentals. (If you are an experienced artist, you will progress through the program faster and more efficiently.) You are welcome to enroll at the beginning of most months, and we will try to accommodate special schedules such as a vacation session.

We look forward to helping you become the artist you long to be!
